# Recap

- Why is the use of the label conspiracy theory/ist in mainstream media or academic discourses problematic?
- Should we use the label in scientific discourses?

# Peer Feedback

- Feedback is not an evaluation. It is meant to improve your writing!
- Today (in groups):
  - 20 min read the paper of your **right** neighbour and write down feedback.
  - 15 min present your feedback to each other
  - 10 min reflection on feedback
  - 20 min read the paper of your **left** neighbour and write down feedback.
  - 15 min present your feedback to each other
  - 5 min reflection on feedback

# How to give feedback
